Sun shines on fun day

THOUSANDS of fun day enthusiasts flocked to Coogee beach on Saturday.

The morning clouds subsided and the sun appeared to smile on this year's fun day, which raised money for

the Sydney Children's Hospital. The Dreaming of Jeannie Bellydance Academy gave a colourful exhibition of this ancient dance form to the delight of a large audience.

Children's favourites

Humphrey and the Flower Pot Gang produced thrills of delight from the younger members of the crowd.

There were also plenty of interesting and varied stalls to browse around.
